MEMBERSHIP STATUS

MEMBER

Shall be a graduate from an accredited four year program with a degree in the art or science of illumination. In addition, the applicant should be actively engaged for at least five years in a professional capacity in a field related to illumination OR have made some valuable contribution to the art or science of illuminating engineering or to its literature

OR

Be actively engaged for at least ten years in the practice or teaching of illumination or directly related fields

OR

Have made some valuable contribution to the art or science of illuminating engineering or to its literature.

ASSOCIATE

Shall be interested in the mission of the Society and be at least eighteen years of age. An Associate is entitled to all current privileges and benefits, but shall not serve on the Board of Directors, as a Regional Vice President, or as a Committee Chairperson.

INDIVIDUAL SUBSCRIBING MEMBER

(Member or Associate grade) IESNA offers individual members the chance to receive the Lighting Library as part of an individual membership status. All Individual Subscribing Members are entitled to the same privileges as a Member or Associate Member. Annual dues are \$550 for the first year and \$350 for the subsequent years. Membership includes the entire IESNA Lighting Library (over 50 publications) and the Lighting Handbook at the initial time of enrollment. SUBSEQUENT enrollment includes updated publications during the dues year.

STUDENT

Shall be registered full-time in a college or university * for study toward a degree in engineering, science, fine arts, architecture, interior design or other related fields, or enrolled full-time in an accredited two year technical school whose curriculum is related to illumination.

A Student shall be entitled to all current privileges and benefits, but shall not have the right to vote or to hold elective office, except in a Student Chapter.

SUSTAINING MEMBERSHIP

The organization or individual must have an interest in the purpose of the Illuminating Engineering Society and a desire to support this effort. If you or your company is interested in Sustaining Membership, please contact the IESNA office, 212-248-5000, x117 for details.
