## ***A little about our speaker:***

***Donald J. White*** has been employed by the City of Las Vegas Department of Building and Safety for the past 18 years, 7 years as a field inspector and 12 years as a plan examiner. He currently serves on the ICC's national Energy Code Development Committee and was instrumental in the development and re-write of the 2012 IECC. He has served the Southern Nevada Building Officials as energy code consultant and was their Jurisdictional Chair for the IECC Code Review Committee for the last three cycles. He currently serves on the board of the Southern Nevada Chapter of ICC as Secretary/Treasurer and is on their EduCode board as the coordinator and host of the Green Building Track. He is also one of the four National Energy Code Ambassadors for the State Office of Energy.
